Corporate Overview

American Cyber

SOLUTIONS WITH VELOCITY sm

American Cyber's Roots & Mission

- Founded in 2011 and sponsored by HQDA CIO/G-6 into the DoD/Army Mentor Protégé Program where the company was ultimately awarded the prestigious DoD Nunn-Perry Award in 2016.

- Service and Solutions company with the mission to advance state-of-the-art technologies, processes, procedures and policies into systems and organizations as necessary to enhance the Nation's competitive advantage.

- Methodology is to leverage the best products and brightest talents to quickly deliver required capabilities.

- Talent management is key to our success, where we recruit, develop, train and reward outstanding employees to serve our customer missions.

Serving the IT, Cyber & C4ISR community
